# Introducing the Candidates for Office for 2017

**President: Jim Arpaia**

Hi All!

Rita and I came to Classic Cars late in the game! While conducting my business as the owner of Connecticut Machinery Sales, I spent 35 years in boating on Long Island Sound and am still a senior member of the Coast Guard Auxiliary.

After I met Rita and married her, we switched to Motor Homes. (Rita gets seasick!) My first was a "97" Monaco Executive with no slides. After we moved to Florida, and bought Jim Weis's house, I bought a 2006 42' Monaco Executive with 4 slides, and a 515hp Detroit Diesel. We put 65,000 miles, going from Maine to California and from Canada to Key West! We loved the RV, but Rita thought I was getting too old to drive it! (just kidding).

I always loved Classic Cars, especially the 50's (my Heydays) So when our good friends Dennis and

Janet McDonald, who have several Classic Cars, said he was going to the Mecum Auction in Kissimmee, I tagged along, just to look, but when I saw the "56" Lincoln Premiere come up, I said to Dennis "WOW" boy would I love to have that! He asked if I wanted him to bid, he said if you "Snooze you Loose" I said yes, and I ended up with my Lincoln. I am now actively looking for a Convertible, because I never had one! Rita and I love the cub, and the opportunity to learn, since I'm still a "Newbe"

**Vice President: Dewey Porter**

## Ormond Beach/Volusia Car Show November 26, 2016

Tuni & Jim Weiss traveled down to the Ormond Beach car show. Very few cars attended, but we got to visit with some of our friends; Doug Hunsworth drove his 1939 Tudor Ford from Saint Augustine, Carley and Joel Looney trailored their Stanley Steamer to the show from Jacksonville, and gave rides throughout the day in their silent steam powered car, Chris and Kathleen Koch drove their Pontiac Safari Wagon and their Mercury, Monarch (made in Canada) from Palm Coast and Carmen and Jim Long trailored a 1939 Derby Bentley from Deland.

The weather was pleasant all day in a lovely setting overlooking the river. Judging by the club members began at 11:15 with awards announced at 2:15. One award per category was given of a wine glass stenciled with the AACA logo. Many of the award winners were actually members of the club, unlike the wonderful show that the Ancient City Auto Club puts on each year; where members cars are not judged...if you want to have your car judged fairly this is not the show you should attend.

-Jim Weiss
