chips, assorted pastries, and garden salad – with ranch and raspberry balsamic. Should you elect not to have the buffet; a limited menu will be available. DeLeon Springs State Park

The first of the club's post-pandemic road trips was a success, combining our two favorite elements, a road trip and food. It's been sometime since a group of us went out of town for the sole

purpose of enjoying the destination. The caravan left from in front of Capt Cones in the Winn-Dixie shopping center, headed for the DeLeon Springs State Park. A

short 50-mile drive with Chamber of Commerce Florida weather, it took just an hour to reach the Park's entrance. Thanks to Bob and Beverly Kessler, our reservations at the Sugar Mill restaurant had the group seated together around their famous picnic tables with built in skillets. Pitchers of pancake batter with all the fixings created an all-you-can eat breakfast and no one left hungry. Pat

Norbut's chocolate chip versions were amazing! Later, we enjoyed the Eco/Heritage pontoon boat tour, learning the tale of the 'healing waters', named by the Mayaca Indians. The sight of a local alligator swimming past the boat and ospreys overhead added to the experience. Our next planned get-together will be at the Marsh Creek Country Club for a luncheon and car display on Sunday, July 10. See you there.

Minutes of the Ancient City Auto Club Monthly Meeting

Minutes of the member meeting and the board meeting are distributed separately.

With the return of nicer weather, several members drove their collector cars to the member meeting. The 50 / 50 drawing was won by Jinny Quackenbush.

Old Guy's Breakfast

Club members enjoyed breakfast at the Oasis for the June get together. The weather being very nice, 12 members and 8 classic cars showed up.

This month's free breakfast drawing was won Jim Athas.

Cars and Coffee at the Car Museum

The fourth Saturday of every month is always on everyone's calendar. That's the day when drivers show up for Cars and Coffee at the Classic Car Museum in St. Augustine. Although the event is scheduled for 8 AM to 10 AM, anyone arriving at the official start will be lucky to find a place up front. Fortunately, there is plenty of room on both sides of the museum as well as in the rear. Attendance is not limited to local drivers. Lots travel from as far away as Jacksonville and Daytona for this monthly event. Thanks to Bozard Lincoln, the coffee

is hot, the doughnuts are sweet, and the car stories are never ending in this enthusiast crowd. Owners Brenda and Sidney Hobbs know everyone by name and are always part of the welcoming charm of this event. Put this two-hour Saturday event on your calendar, get there early, and we'll see you in July.

June Monthly Dine Out.

Once again, the combination of good food and good company proved Successful, with more than two dozen club members enjoying the monthly Dine Out, this time at La Cocina Mexican Restaurant. Lots of car talk, reminiscing with old friends, and enjoying the restaurant's famous cuisine made the event a success. Our expert party planner, Ron Leone, did a great job and is already hard at work, arranging the details of next month's event. Stay tuned for more on that soon. In the meantime, make sure to add the July 10 luncheon at Marsh Creek to your schedule. Details are on page 1 and in the weekly activities list. The club would like to introduce our newest members, Ron and Sue Carmichael who signed up at dinner. We are looking forward to seeing their 1963 Ford Galaxie two door hardtop. Welcome aboard!
