Submitted by Dave Cameron-904-461-8747—Thanks, Dave!

Perfect cool clear weather brought out more than 100 cars for the monthly cruise .With parking spots at a premium there were cars parked where ever they could shoehorn in. ACAC had 19 members that I counted, with spouses etc. there were over 30 from our club with approximately 19 cars displayed. That proves that even without the promise of food, if the weather is nice we do bring our cars out. Let's hope we can do the same for next month. Dewey

I'm not sure who the gentleman in black is, but he must be Italian. Maybe Bob Hubbard knows.

Pure, luminous gold.

It lights up the night..

Jim and Rita Arpaia's Lincoln shines.

Black to black back to back.

Ron Leone always brings a little something special.

Here's where all the fun is!

Flames light up the night.

Sublime. Jaw dropping!

Beautiful wood; class Corvette!
Notice the luminosity of the photography provided by Joe Greeves.. The whole area seems beatific in the hands of a skilled photographer. More to follow—

Sassy, sleek and silver.

Long, low and lovely- none better.

Karen and Toby Erwin enjoy the evening.

It doesn't get better than this!

He currently has about a 100 cars on the first floor and a 100 motorcycles on the upper floor. Come and listen and ask questions.
