Minutes: March Board Meeting

Location: Wirz Residence

Attendees: Jim Weiss-President
Carley King- Vice President
Tuni Weiss-Treasurer
Brian Wirz -Secretary

Carolyn Wirz

Bob Quackenbush

Minutes:

President Jim Weiss called the meeting to order at 7:17 PM. The following issues were covered:

1. Carley King presented the final versions of both the club ID card and business card. Carley will issue 2 ID cards to each family. In addition, each member will receive approximately 5 business cards for distribution to potential members. (Action Item 8)
2. The issue of door prizes for the monthly "Cruise In" was discussed. The board decided that a budget of \$ 50.00 plus the club's share of the previous months 50/50 drawing would be an appropriate amount for door prizes. This concept was moved and approved. Jim Weiss will advise Cliff Williams of the Boards decision.
3. As noted previously in Board and Club meeting minutes, the Hilton has agreed to provide a free dinner to Club members.
 - a. The date for this affair will be April 25th.
 - b. There will be an advanced sign up.
 - c. No guests will be allowed at the dinner, club members only.
 - d. There will be a cash bar set up for members use.
 - e. Jim Weiss to e-mail additional information /sign up request to club members.
4. At the February meeting, Glenn Klein presented his ideas for a mentoring program. Basically, club members would work with disabled children in areas associated with car restoration. The Board tabled the matter at that meeting; agreeing to discuss it further in the future. After further discussion, the board voted to not pursue the mentoring program. Individual members interested in mentoring are encouraged to pursue this on their own.
5. Jim Weiss indicated that the club now has 52 members. Dewey Porter has updated the membership roster and e-mailed it to club members.
6. Carley King will chair the April club meeting.
7. The May Board meeting has been rescheduled to May 9th and will be held at Carley King's home.
8. Tuni Weiss provided an update on the club's financial status.
9. Jim Weiss provided an update on this year's car show. Karen Erwin is putting an add for the show in the First Coast Car Council publication.
10. The coming month's activity sheet was reviewed and is ready for issue. Bob Quackenbush requested that in the near future the form be modified to include where and when interested members should meet to participate in these events.
11. A committee of Jim Weiss, Dewey Porter and Bob Quackenbush was set up to review potential, future sites for "John's Breakfast". They will make a selection and inform club membership.
12. Bob Quackenbush brought up the subject of the Club's 30th anniversary.
 - a. Bob will head up a committee to work on this event.
 - b. Initial thinking is that it will be held in the September-October time frame.
13. The roster of Club members' cars needs to be updated. Because of the outstanding job Dewey Porter did on the membership roster, Bob Quackenbush suggested that he also do the car roster. Jim Weiss agreed to ask Dewey to take on this effort.
14. The Board once again took up the issue of the "Blue Ticket" program. The following decisions were made. (Action item 2)
 - a. A blue ticket will be issued to those members driving an antique car to a club event.

- b. A blue ticket will be drawn at the Christmas party. The winner will receive \$250.00
 - c. A white ticket will be issued to those members who wear a club shirt to a club event
 - d. A white ticket will be drawn at the Christmas party. The winner will receive \$25.00
15. The Crankin A's have an event planned for April 27th (see activity sheet for details). Bob and Jinny Quackenbush suggested that our club plan a trip that would include this event and take advantage of several other destinations in that same area. They will put together a plan for this event.
16. Part of the fun of winning the 50/50 prize is that the winner's car is featured on the Club Website for that month. 50/50 winners need to forward a picture of their car to Rob Daily for inclusion in the Website.

Action Items:

Hammock Beach Baptist Church Car Show April 6, 2013

By Dewey Porter

Perfect weather brought out 9 Ancient City club members driving their old cars to this very nearby event with a scenic drive down A1A just south of Marineland. It will probably be their last show as the minister is leaving to go on to another church . He was the organizing force behind this unique show. No awards, no registration fee, no 50/50, no dash plaques. On the plus side a great free lunch, a few nice door prizes donated by merchants, nice shady oak trees, indoor bathrooms no porta- johns and very important to this writer, plenty of fresh brewed coffee. They have a cookie jar for donations and ring a brass bell every time a donation is made. A total of 60 cars were displayed and Jinny Q. brought flyers for our upcoming car show, which she passed out to all the drivers with most of them saying they planned to be there. Carley King brought cakes, cookies and fruit which were served on a picnic table next to her Pontiac tailgate using vintage picnic items from her collection.

Our sister club, the St. Augustine Cruisers also had a contingent of happy participants.

How many carburetors does it take to fix a '39 Ford?

If you want to see one excited Platter, just take a gander at Myles Savage showing off his '79 Cadillac. It is absolutely yellow, perfect, low miles and he got it on ebay.
