ANCIENT CITY REGION PREPARES FOR 35th

ANNUAL CAR SHOW NOV 9, 2019

Acting Co Chairmen Dewey Porter and Joe Greeves have been working the past several months to prepare for a successful show which is just a little more than a month away. Refer to the minutes of the Sept 19 ACAC Board meeting for details.. The Friday before the show will be set up day from 2 PM to 4 PM. . If this is your first time you will have to go to the guard shack on the south side of the campus and present your driver's license to receive a visitors pass and then return to the front gate to be admitted. Note: We can not enter before 2 PM so don't come early expecting to get in. This is only necessary on Friday as students are still present on campus. On Saturday the day of the show you will not need a pass and the front main gate will be open at 7 AM. Member's cars/trucks are not eligible to be entered in the show but members are encouraged to drive their collector vehicle and there will be an area to park member's cars. Daily drivers must park in the visitor lot on the north side of the campus. Even if you don't have an assigned job we need all members to show up on Saturday to help with the show and the take down and clean up after the show which is usually about 4 PM. Remember this a fun day for us all and make all the visitors glad they came. Ron is preparing coffee and treats (bagels maybe?) for members.

OUT OF THE PAST

Back in 2012, several members put on their 20's costumes for a "Roaring 20's" party at what was then the Glenwood retirement community. We look like we are right out of central casting^a
